

# Little EIFA

Last week the children continued to enjoy their 'Under the sea' theme; creating and designing their own jelly fish .

## 2Simple update observations

Please ensure you check your e mail.

## Buggies and Prams

Please fold your pram before placing it in our garage store.

## Little EIFA notice board

Please check the notice board for news on our week's activities.

## Named clothing

Finding missing clothing is easier if all items are labelled with your child's name.

Cette semaine, les enfants ont eu l'opportunit  de developper leur motricit  fine par le biais de notre activit  culinaire hebdomadaire. Ils se sont entra n s    taler la confiture sur un toast   l'aide d'un couteau.

We have enjoyed a colourful number printing activity with numbers 1-10 to develop number recognition. The activity also serves to encourage us in fine motor skills, in using our hands to paint, choosing preferred colours and talking socially with our friends to become cooperative learners.
