A reminder that if you have captured a photo and skill for your child you can submit these to be added to your child's learning journey in the 2Simple program.

Security

You may have noticed EIFA staff wearing ID badges (a challenge when dealing with our little ones) in EIFA colours. This is one of a few measures to increase safety and security in our school. We have also had a visit from the local physical security officer from the London Met Police who was very complimentary about our "lovely school".
