

Little EIFA

Above: Voici un de nos travaux communs de la semaine. Nous avons parlé des couleurs et des formes. Nous avons utilisé les fonds de couleurs pour y dessiner une nouvelle forme, une étoile. Cette semaine nous avons célébré la St Valentin en créant des cartes et des souvenirs à ramener à la maison. Nous avons donc abordé la forme du coeur.

We have also been doing some counting and matching. We have number sets and some of the children used them to match as they counted. We have been singing nursery rhymes with counting in them such as, "Once I caught a fish alive" and "there were ten in the bed ..."

Our favourite **French carpet** time this week has included songs: *Promenons nous dans les bois pendant que le loup n'y est pas*
En passant par la Lorraine avec mes sabots
Mon âne mon âne à bien mal à sa tête!

Colours (above) were a feature in our creative activity, including an investigation on cause and effect. We created dramatic colour schemes by experimenting with the bubbly paint mix.

French stories:

Bibo pompier, La vache orange, Timioche le petit poisson qui racontait des histoires.

Dates for your Diary

20 February
School opens
31 March -Term ends.

March 2

World Book Day

Building News

We have painted the entrance stairs to our nursery and plan to add decorative displays soon!

Notices to Parents

Please remember to bring named spare clothing!
