

Little EIFA

Volcanoes (above)

Picking up on an interest from one of the children and linking to ingredients and Science week, we made some frothy volcanoes. Some of the children mixed the potions to produce the effervescent effect.

Chasse à l'ours

Nous avons chassé l'ours! Les enfants ont participé à la mise en scène du livre d'aventure du même nom. Leur voyage a consisté à traverser des rivières, des plaines de boue....

We would like to invite all parents to meet with us to review your child's progress, discuss the learning journey to date and our plans for the future. We are available for meetings in the afternoons, but can look at other times also.

Linking with the Holi Day, we made a giant Elmer. We practiced our scissor skills and thought about the glorious colours.

Nous commençons à vraiment profiter des espaces extérieurs grâce à une météo clémente.

Yearbook

Reminder: Please let us know if you do not wish your child to be included in this publication.

Notices

Thank you for the responses to our questionnaire, please check the website for a brief summary.
