

# Little EIFA

This week we explored scooping and mashing. We used avocado to make an avocado cream. The children were manipulating tools and gaining dexterity skills to achieve the desired result.

**Clothing**  
The weather is getting colder, so please bring a jumper and coat to the class.

**Buggies and Prams**  
Buggies and Prams  
If you are collecting your child before the end of the school day at 3:20, we will go to the garage with you to collect your buggy/pram for the moment.

While observing the children we have been looking for an interest and theme to follow. Many children have been interested in the stories about the sea and also animals. We are following a main theme of "Under the Sea" and also activities around "Forest Animals".

On Friday 22 September we will be joining the rest of the school to raise money for Jeans for Genes Day. Please come wearing some jeans!  
Jeans for Genes is an important day in U.K. schools and raising money for a variety of charities :

Les enfants ont pu échanger sur les couleurs et les hiboux. Ils ont appris à compter en recouvrant un hiboux avec des plumes.

Vous pouvez admirer les hiboux affichés dans la classe.
