

Little EIFA

Les enfants ont fait une activité peinture sur le thème de l'hiver : peindre des flocons de neige sur une feuille, ils ont pu exercer leur motricité fine en utilisant un pinceau fin.

Welcome

I'd like to take this opportunity to welcome our new families to Little EIFA. All the children have settled in very well and we are so pleased they have joined us.

Special Activities

From 29.01.18 We will no longer be attending Jungle Gym.

Unfortunately despite several EIFA requests to repair and refurbish the facility, the level of quality of the physical environment still does not match our expectations. Each Wednesday we will have a yoga session taught to us by an external, qualified teacher which is a fantastic opportunity for the children. On Thursdays we will hold our own soft play sessions in the nursery, focussing on the children's gross motor skills.

In the garden this week we had lots of fun splashing in water with the sea animals. We named all the animals and made the noises to match the animal.

This month the children have been reading The Gruffalo's Child. They have enjoyed many activities linked to the book including handprint painting the Gruffalo's child. The children explored different textures and talked about the story to remember what the Gruffalo's child looked like.
